bride

*Steph's Bridal Story*

*We had a fun time getting some photos of Steph. As you can see from being separated early and me trying to figure out how to get some decent photos, we managed to get a super-cute one photo!*

*I was happy to have someone able to take the photos for her and she made it very easy on everyone!*

*Thanking Steph to have a great one for a friend*

*June 2009*
